**Re: Magnetawan First Nation Wastewater System Upgrades Project #CRKU9
Design Phase Approval Letter 2021-2022**

Dear Chief and Council,

I am pleased to inform you that Indigenous Services Canada (ISC) will support the Magnetawan First Nation Wastewater Systems Upgrades Project for a total estimated cost of \$5,398,000. Funding in the amount of \$319,200 has been approved to support the design phase of this project. Regional officials will contact you separately to confirm the release of funding for this project.

Funding approval for the construction phase will be considered once the design phase is complete and will be dependent on the availability of funding.

Should you have any questions pertaining to this project, please contact Darren Ripley, Regional Senior Program Officer, at (226) 388-3963 or by e-mail to Darren.Ripley@canada.ca. I look forward to the successful completion of this project.

Best Regards,

Anne Scotton
Regional Director General
